

Presidents Message

Hello Fellow Falconeers,

Welcome to April and a few April showers. Well at least they help keep the pollen out of the air.

I am sitting at the NSRA Tampa event talking "Falcon" to many of the attendees. Boy, does our brand does have a strong following. My 64 is on display indoors and I can't get away from the car. Tons of questions. And I found 2 Falcon owners that did not know about the FCA. Job done, paperwork in their hands.

In case any of you are heading to the Summit Racing sponsored event at Atlanta Speedway called Motorama, I am going (meeting up with Gary Cantwell). Let me know if you are headed that way too.

I will be attending the FCA National event in Wisconsin in Mid July. Is anyone else driving up? Let's see if we can migrate together. Please call me at 863-206-1990. I do not have a room yet and I understand that the host hotel (Ho Chunk – don't ask) has sold out but I am sure we will find a way.

So let's get those cars out, drive them and show them off. We are the lucky ones – we live in Florida.

Bill Shira, President
Suncoast Chapter, F.C.A.

TiCo Warbird Air Show/Car Show

We have been attending this event for the past several years, maybe a little longer along with several Suncoast Chapter members and their beautiful Falcons. This year we had 4 Falcons and 1 Comet from the Suncoast Chapter attending. It is a great day if you like nice collector cars and old airplanes. Probably the best part of this event is the recognition of our Armed Forces Members and Veterans. Another great part of the event is being able to drive in and park very, very close to the flight line. Several photos showing the nice Falcons and the airplanes.

2016 Pensacola Regional Meet

In March Dave and Mary Wagner and Carolyn and I attended the 8th Annual Pensacola Regional Meet at the Pensacola International Fairgrounds. On Thursday as we were driving in there was some pretty severe weather, high winds, lightning and lots of rain throughout the evening. Our planned day cruise for Friday was driving over to Mobile, AL to visit the famous Battleship Park along Mobile Bay. The weather was good to us until later in the afternoon and then as you would expect, the bottom fell out. We stopped for lunch at a seafood restaurant along the bay and enjoyed a nice meal and the ride back in the rain. On Saturday the weather was very nice, no rain. There was a low turn out of Falcons but those in attendance were very nice. Several photos included showing some of the falcons.

Recipe Corner

BARBEQUED BEEF BRISKET

Servings: 6-8

Ingredients:

Beef

**(3 - 4 pound) beef brisket, trimmed
onion salt**

garlic salt

seasoned salt

2 ounces liquid smoke

1/2 cup lemon juice

Barbeque Sauce

1 cup ketchup

1/2 cup Worcestershire sauce

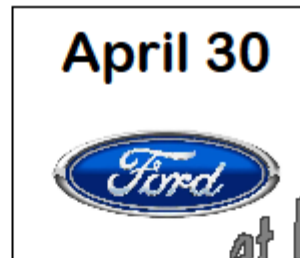

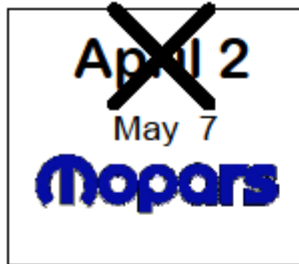

hot sauce, to taste

2 tablespoons sugar

Preparation:

Place a beef brisket on large piece of heavy duty aluminum foil in large roasting pan. Sprinkle generously with the three kinds of salt. Pour liquid smoke over meat. Tighten foil over brisket. Be sure no air gets to the meat. Bake at 300° for 1 hour and 15 minutes per pound. Take out of oven and turn sides of foil back, remove all juices except for 1 cup. Pour lemon juice over meat.

Combine ingredients for barbeque sauce and heat in saucepan until pouring consistency. Add barbeque sauce over meat and cook uncovered for an additional 45 minutes. To serve, cut brisket in 1/4-1/2 inch slices against the grain.
