## 24<sup>th</sup> and Final Silver Springs Mustang and All Ford Show

This great event has been the first big Ford event starting the car show season for our Suncoast Chapter and many other Ford owners in Florida. The Suncoast Chapter has been attending this event as a group since 1995 seeing this event grow from approximately 100 show Fords and on the final year having 841 Fords in attendance. I think all will agree that this was one of our favorite events each year. We will certainly miss this event in the future and our thanks go out to Rick Schmidt and National Parts Depot for sponsoring this event.

Chuck Beason  
Suncoast Chapter member
